

**This pilgrim's Inn adheres to the following guidelines to prevent the spread of Covid -19.**

Guests are expected to comply diligently

1	Booking your accommodations in advance is mandatory in order to allow the innkeeper sufficient time to plan occupancy to the maximum allowed capacity specified by Health Department recommendations
2	Promote good respiratory hygiene and wear your protective masks at when in hallways, staircases, common bedroom and reception areas.
3	As an extra precaution, measure your guests temperature with a thermometer upon their arrival.
4	Leave an area where backpacks can be deposited, and supply guests with a sack for essential overnight items. In order to keep sleeping quarters as clean as possible, avoid placing backpack in the bed. Shoes and boots shall be left outside of the bedroom.
5	Ensure a distance of at least 1 meter between beds in common rooms. Plan your room accordingly.
6	If unable to comply with the above, limit the room to single occupancy, or strictly members of the same family.
7	In case of bunk beds, only occupy the lower bed.
9	Use disposable bedsheets and pillowcases. Do not place sleeping bags on bed.
9	Common bathroom will require thorough cleaning and sanitizing on behalf of the innkeeper. Guests will be expected to clean the bathroom after use and will be supplied with appropriate cleaning items.
10	Food shall not be consumed in the bedroom. Government regulations will be applied for restaurant facilities.

We ask all pilgrims, welcome guests of this house, to collaborate according to the guidelines above. We are grateful to you.

Good walk to all, following the steps of Saint Francis
